It has been 37 years since an assassin's bullet tragically ended the life of Martin Luther King, Jr. Some good case studies to consider. Additional Information. The growth of methamphetamine use among rural youth is much higher than urban areas. Readers need to be prepared to slog through many statistics and citations of the work of many social theorists, but I urge them to persevere. Building upon these skills, the authors engage the reader in various common challenges in the second section. Enlarge cover. Usually ships within 1 week.
