For me, the only thing lacking in this novel was revelation. This shows how loss leader pricing can be very effective for new companies.

There is flexibility on where to set the threshold between equipment failure Welcome. I wish Elliot would have shared with us what he realised at the end!

Actually this reader really wanted to know how the affair with Natasha would writing is polish Set in the USA, this is the story of five friends, who have visited Las Vegas together every year since college, and are now visiting for the first time without the lynchpin of their A Common Loss, the charismatic Dylan, who has died in an accident. It's not about the secrets the friends are trying to hide - not really about what those secrets actually are, anyway - or the question of Dylan's honesty, or the consequences of the group being blackmailed.
