Night Cream: Another one of our favorite coconut oil beauty uses is a night cream. If you combine it with coconut oil, did you know it makes a great face moisturizer? Coconut oil contains three fatty acids –capric, caprylic and lauric acid – that possess both disinfectant and antimicrobial properties, helping to protect against as well as heal microbial infections.

However,choosingthebestmoisturizerisoftenveryconfusing.Eye creams are often among the most expensive beauty items you can buy. That's really key, because it means that the oil makes your skin look more glowy than lotion-y – which is why it's a favorite of models like Frida Gustavsson, who has worked with Dior, Chanel, and Valentino.
