TheSchreyerInstituteForTeachingExcellenceiscommittedtomakingitswe We also offer innovative teaching institutes for faculty and teaching assistants, as well as access to a network of our exemplary professors who have agreed to enable teaching assistants and junior faculty to observe their classrooms. Achieving excellence is a project that takes effort in many different aspects of life. Whilethereareagreatdealofprogramsthatwillinstructyouonhowtoeffect

and continual assessor Develops and uses appropriate student outcome assessments to continuously improve student learning experiences in keeping with stated course objectives; employs a systematic approach to assess teaching, keeps the class material fresh and new, makes appropriate changes where indicated and sets clear objectives that indicate the kind of thinking and acting expected of students; creates an environment that invites constructive student feedback to the instructor; adapts teaching style to accomplish the objectives of successful student learning; recognizes own limitations and shortcomings, confronts and learns from them; advocates learning over testing. Faculty excellence matched with broad and deep offerings in interdisciplinary programs are two important reasons.
