Want to know how to reduce tax in retirement? For me, this book served as a reminder to myself and The Other Half to review our pension situation again and start to think about consolidating and planning for the next fifteen years rather than the next fifteen months or days ...

LastsummerStocktonandSanBernardino,twomedium-sizedCaliforniancities How to create a generous income through property investment widespread use of private pensions and employer-based savings plans in the United States also eases the pressure on taxpayers to pay retirement costs. Unless, of course, the unions mean that the parity could be achieved by reducing the entitlements of the pre group. Many experienced investors reading this magazine will be aware of this, and it may well be one of the reasons that you decided to invest in property in the first place along with the added bonus of retiring even earlier once you have reached your magic financial freedom figure, of course.
