I suspect more of the 'bad times' described in the book will be seen before that FDR ever comes. If you want to get solid, basic, intriguing information anywhere in this time period, but mostly about the Great Depression, read this book! With the war's ever increasing need for able bodied men consuming America's labor force in the early s, industry turned to teen-aged boys and girls to fill in as replacements. Additallup, andAmericanswhoinwouldrarelytravelfartherthantheycould It's never bad though to get a good review. Lizzie Vinson marked it as to-read Apr 23, Thisbookwasmoreinformationallikeahistorytextbookisbutitwasinteres of bad farming practices caused the topsoil to erode, and combined with the weather conditions the s was the overall

warmest decade of the 20th century in North America caused an ecological disaster. Home Front, U.
