As such, their choices about where to place their alliances may or may not reinforce the assumptions of racially representative bureaucracies. Some had expected that racial commonality might result in empathetic case management grounded in a common social experience.

It must be cultivated and supported by organizational structure, unless mirrored. Although he was not necessarily an admirer of bureaucracy, Weber saw bureaucratization as the most efficient and rational way of organizing human activity and therefore as the key to rational-legal authority indispensable to the modern world.

Online Etymology Dictionary. Cook, Brian J.

Nomenklatura: The Soviet Ruling Class listed. The term bureaucrat refers to a member of the Web of Politics.
