In midshot are further geometric elements: the parallel lines of the wooden fence, the bisecting diagonal wooden bar at the gate. I remember what matters.

Harbo discovered his love of comic books as an adult when he stumbled on a copy of Capstone Kids. Some identifying marks on the inside cover, but this is minimal. The people of Oz are naturally good, unless they are under the power of the Wicked Witch as is shown by the improved behavior of her soldiers after she melts.
