There are literally reams of serious historical and archaeological questions that the orthodoxy has not even addressed, let alone attempted to answer. Includes articles on a variety of topics and book reviews. Just when I think that something will never be revealed, I'm drawn to a particular source that gives me the exact information I need, she says. Supposedly named Futhark because of the random combination of the first six letters of the alphabet. Every twelve years the king of the gods returns to the place he occupied at our birth, providing an infusion of growth and energy we can optimize. Thanks for the alti plano info!! But neither Prehistoric Athens nor the description of Atlantis shows sufficient detail to define the elements of the aura and explain how this field can be manipulated and unbalanced by association, contact and impact with radiant waves of energy and frequencies so prevalent in our modern world. Sitchin also makes the point that in the press conference, which he saw as more of a

controlled event rather than a true press conference, NASA's Daniel Goldin revealed the ultimate purpose of the microbes-onMars theory, which was to answer the question Are We Alone?
