Hate Crimes: Definitions, Examples, Reasons. Although later historians have pointed out factual and interpretive flaws in Gibbon's scholarship, it remains one of the most widely read historical works in the world. Realistically, the empire was finished a long time before the last emperor, Romulus Augustus, was deposed in AD. Plagues But there were also lesser problems with the economy of Rome that combined together to escalate financial stress. Bread and circuses The pay was not great. Loss of authority While the spread of Christianity may have played a small role in curbing Roman civic virtue, most scholars now argue that its influence paled in comparison to military, economic and administrative factors. There is no one single reason, but was instead a series of problems that grew too large to solve.
