No sooner has Scrooge got back to the safety of his bed, than the orchestra strikes up again and a rich baritone breaks into his slumbers. This family passes another on their way. No, I honestly VERY much liked the way they did that because, to me, what it accomplished was that it kept the audience hanging between each story as it cut to .

I almost finished the whole thing in one sitting because I became so engrossed I have to say that, although it has its flaws, and it can, in parts, look and sound dated, this production has a comfortingly reassuring charm about it; and the fact that it was all done live is a truly impressive feat, and one that I doubt many modern TV producers and directors could pull off, even with today's high tech wizardry. The film also has a pretty inspired ending that actually managed to surprise me and casts the picture in a whole new light. I really loved it and would love to see this made into a film!

Both visits take place on Christmas Eve and as we hear the jingle of the Christmas
