There are still several ex-students from the generations between and who went to this school, that met that old mansion that had been expanded with more classroom, a playground, a central hallway, and Cronicas Urbanas (Portuguese Edition) open air theater; people who remember this school until when it was demolished on the instructions of the governor of that time, the Gen. The land and people. I believe it would be worthwhile to rewrite this article, for which I will be transcribing some extracts of the text .
