This has a long tradition, since the cult of Charlemagne began rapidly after his death, which was promoted by his biographer Einhard and others and later turned into a powerful political strategy to surround the future German kings and emperors with the desired aura, by their association with their great role model. All in all, I think college was hard for me, partly because I didn't know what I wanted to do, and later I felt that I was ill prepared. In return, the Imperial Navy Ofce accused the front of not appreciating the enormous political and nancial difculties involved in carrying out the envisaged naval build-up.
