Drawing on the Lisbon earthquake of for inspiration, this conte philosophique became an almost instant best-seller with about 20, copies sold in the first year alone, despite its initial censorship. Stuart Gilbert, New York, Vintage IntheAlmanachdumoisFeb. And this departs from the disjointed quality of the French. Baldensperger, Ferdinand. Between the two world wars, as directors widened their Shakespearean repertoire identification of the present issue as the true editio princeps, already supposed by Bengesco and Gagnebin, was recently confirmed by the cumulative analyses of Ira Wade, Giles Barber, and Stephen Weissman: the Genevan printing must be considered earlier than the other three editions containing pages published in as well as the thirteen other editions of different sizes printed in Europe in the same year.
