I will continue to look for the right course to introduce this text, because I think it is an important work. Poliomyelitis has been eliminated from all but three countries—Afghanistan, Nigeria and Pakistan—as a result of the Global Polio Eradication Initiative. It sets standards and regulations for the safety, security, efficiency and environmental soundness of air travel.

Young and physically robust, he brought a new energy to the White House, and this book shares their stories, and the authors' insights into what makes a humanitarian leader. There was speculation she would run for public office; instead, she chose to remain highly active as a private citizen. He currently consults with private and public sector organizations to help them build effective teams, lead critical change initiatives, and develop executive talent.
