Overview Modern society is pretty good at pushing us to overwork, stress out, and take on more than we can possibly do. Balance is the key to personal and professional success. Karl W.

But this is the first time I have ever given myself permission to take care of myself. In this timely book, IT time management expert Dominica DeGrandis reveals the real crime of the century - time theft, one of the most costly factors impacting enterprises in their day-to-day operations. Do you worry that your business will collapse without your constant presence? Author Karl Palachuk works within the IT industry, and as a fellow IT worker myself. Fast and Slow. Bessel A.
