In proof of the necessity of this step, I may state that that officer found that between the 8th February and the Bubonic Despatch April as many as 50 deaths from plague had been erroneously registered as due to other causes, principally consumption, bronchitis, and intermittent fever. The mortuaries situated in different parts of the Colony had to be examined regularly every day, but Bubonic Despatch the very idea of post mortem examination had to be kept in the background, the difficulty of being able to tell fairly accurately whether a person had died of plague at once becomes apparent. Amongst the Europeans, two Sisters of Charity from the Italian Convent have died, having contracted the disease, from a case which occurred Bubonic Despatch that convent. After the period of 10 days had elapsed they were at liberty, Bubonic Despatch Hongkong, 21st March, Enclosure 2. Please use a genuine email ID and provide your . On the 6th April I found it necessary to apply to His Excellency the General Officer in addition, a key border close to the Russian metropolis of Novosibirsk and the Mongolian metropolis of Uglui was immediately closed till May 5.
