As a result, the number of users is increasing at an exponential rate as more people use digital technology. But this democratization does not mean everyone is a creator just for the fact of having a reasonably priced and high quality camera like the Canon EOS 7D. Karina Longworth rated it really liked it Oct 20, This model great complement to traditional ones and thanks to it many small projects have the chance to be produced. The crowdfunding part came up from the need of finding funds through alternative sources. The digital age has been changing film. Currah, A.
