The ability to micro-target your ad campaigns is one of the key benefits of social media advertising. With many overlapping features to Hootsuite, some of my favorite Buffer features include the ability to easily schedule content while browsing the web with their Chrome extensions. Good social media tools help you find more content to share.

This was until I discovered Hootsuite and my life as a frantic Twitter bird instantly changed. She loves all things digital, learning about nutrition, running, traveling, and cooking. Buffer also suggests the perfect moments to post based on follower activity – pretty neat!
